

Mountain View Manor The Whitefish Housing Authority operates Mountain View Manor a 50-unit apartment building designed for seniors and disabled, and constructed in 1970. Mountain View Manor is public housing and as such the calculation of rent is based on federal guidelines. The Whitefish Housing Authority receives a subsidy from the Housing and Urban Development (HUD) to bridge the gap between the costs of operation and rent received. The beautifully landscaped structure is conveniently located in downtown Whitefish at 100 East 4th Street.
